Maglie, Italy
Thursday October 8 , 2027

WSK Promotion has confirmed the 2027 calendar for the Rotax MAX Challenge Euro Trophy and the Rotax MAX Challenge Winter Cup, keeping the format unchanged with one Winter Cup round and four Euro Trophy rounds across Europe.

The RMC Winter Cup returns to Italy, as it did in 2025 across two rounds at Cremona and Viterbo, this time with a single round at South Garda Karting on February 7. The Lonato circuit hosted the Euro Trophy's closing round under lights in 2024, and now opens the 2027 season.

The Euro Trophy opens at the celebrated Prokart Raceland in Wackersdorf, Germany, the week of April 25, before heading to Karting Genk: The Home of Champions in Belgium around a month later, on May 23.

Circuito Internacional de Zuera opens the second half of the season on the weekend of July 4, before the Cremona Circuit in Cremona, Italy, closes out the year on September 5.
