6. **Interviews must take place outside the press office.** It is NOT allowed to invite Drivers or representatives to the press office. There is only limited space in the press office available and ONLY for accredited media representatives.
7. Applicants are not allowed to watch videos in the press room (permanently) due to the often-limited internet capacity and must wear headsets.

3. On and off the track, **the tabard must be worn properly in all areas** to which it gives access. Failure to respect this rule shall lead to access to these areas being refused. It is not allowed to wear the tabard hanging out off the trouser belt, off the camera bag or in any other fashion.

All accredited photographers or cameramen will be authorized to have access to the area reserved for them at the foot of the podium.

Sanctions
